

Stainless Steel Swivel-Pro

Shown: White and Black swivel pro

Shown: White and Black swivel pro on hose

Less moving parts, less weight and all stainless steel construction. The Swivel-Pro provides the same high quality as our original Swivel-Pro, plus the added features!

Specifications:

- All Stainless steel construction for strength and durability
- Allows circular, horizontal and vertical movements of nozzle without repositioning heavy hose for ergonomic value
- Fewer parts than the original Swivel-Pro and only one moving part
- Smaller than half the weight of the original Swivel-Pro
- Available: 1/2", 5/8", 3/4" I.D. hose barb and retro-fit
- Available: Sanitary/Hygienic Clamp on nozzle end
- Maximum working pressure: 150 psi
- Maximum working temperature: 200° F./93° C.
- Supplied with vinyl boot for heat transfer protection in black or white

NOTE: 1-year limited warranty
