

Hi-Sanitary Stainless Steel Hose Reel

Shown: Hi-Sanitary hose reel with hose and HP-150 nozzle

Our Hi-Sanitary Stainless Steel Spring Rewind Hose Reel is perfect for sanitary or harsh environments. The reel's polished finish helps reduce the risk of contamination providing the best surface for even the most stringent sanitary requirements. The Hi-Sanitary Spring Rewind Hose Reel delivers quality and durability for all your wash down applications.

Features:

- Open construction allows for easy wash down and hand/brush scrubbing to minimize trapped food materials
- Mounting plate with opening simplifies cleaning and drying
- Automatic spring rewind assembly completely enclosed provides safe, quick, and easy rewind of hose
- All 304 stainless steel construction resists rust and corrosion
- Easily installed on floor or wall
